**P.C.;**

1. By this petition, the petitioner has challenged the communication dated 23-4-2001 whereby the school management, where the petitioner is employed, was directed to maintain combined seniority list of non teaching staff in accordance with the Government Resolution of 1994. Assailing this letter/communication, it was contended on behalf of the petitioner that in view of the earlier communications issued by the Education Officer as also by the school authorities, seeking maintenance of separate seniority list for technical and non-technical areas, there is no

reason now for issuance of the communication dated 23-4-2001. We are unmable to accept this contention for the reason that those communications are apparently issued in ignorance of Government Resolution dated 8-11-1994 which categorically directs maintenance of combined list by management having more than one school both in the teaching staff and non-teaching staff. There is therefore no reason to interfere. Petition accordingly rejected.

2. Parties to act on an authenticated copy of this order.
